

Worth casting spoon blades are stamped from the finest brass which makes them rust and corrosion-proof. These blades are the fastest wobbling and best balanced blades available. All of our brass blades are available in a variety of finishes and may be ordered in special painted and pad printed patterns. Genuine gold plating is also available for the utmost in flash and reflectivity. All of these fine blades are offered in your choice of light or heavy-gauge brass and will make your lures the best anywhere.
