

These highest quality blades are offered in 11 sizes from 00 to size 7 for a complete range of lure building requirements. Correct in shape, size and design, they are a result of many years of research and experience in manufacturing. These high quality brass blades are corrosion and rust-proof and their smooth burnished edges will not damage the line or leader. All plated blades are highly polished for that extra sparkle in the water, and our gold plated blades feature a jewelry finish that won't tarnish or discolor.
