

The Magnum Indiana blades are designed to help catch the “big toothy critters”. An added feature to these blades is how they howl in the water due to the vibration that is created by their immense size. Made from our high quality brass for corrosion resistance, they are available in plain brass, polish brass, nickel plated brass or painted. We also offer them smooth and with our unique hex pattern.

Magnum Indiana Blades - Smooth

Size	8	10	10	12
