Cost Per Thousand	\$39.70	\$54.30	\$66.20	\$70.10

The blade that “gets down” and runs a bit deeper is now available in **Steel**. These blades are made from the same high standard that our brass blades are made. They are available in 4 sizes, smooth or hammered with a nickel mirror finish and painted. At this time they are only available in our standard style willow leaf, not the shallow cup.

Packaging: Bulk, Polybagged
Quantity Discounts (per size & finish):
