

X² Oval Rings

X² Oval Power Rings are 50% stronger than similar fine sized round split rings, making them the strongest ring available anywhere. Their unique oval design is also self-centering to keep the “split” at the side. These rings are made from a unique magnesium alloy, which is stronger than stainless steel, and are finished with a military-grade zinc plating.

X² Fine Oval Split Rings

Size	5	6	7	8
